Dear Praying Friends,

Thank you for your interest in and prayers for us as we continue to serve the Lord through our church, the Becoming a Christian Organization and Baptist World Mission. There is more involvement than ever before in the use of the book, *Becoming a True Christian*, in the U.S. and in many foreign countries in group studies and one-on-one evangelism. More people than ever before are using this important tool to present the Gospel to the lost. Thank you for caring and sharing in a tangible way in this important ministry for the outreach of the Gospel.

We thank the Lord that the book, *Becoming a True Christian*, has become a real resource for churches, pastors and missionaries as well as chaplains and pastors involved in State and Federal prison ministries. We continue to receive letters telling us how God is truly working in the lives of many who are studying this helpful book. If you have not studied this new edition recently, I would encourage you to order some for yourself and for others with whom you may have contact on a regular basis. People need the Lord, but it seems that few really care.

On a weekly basis we are continuing to hold Bible study classes with needy individuals. Every Thursday morning I get up early in order to drive 30 minutes to Clearwater to have a Bible class with a man from 7:00 a.m. to 8:00 a.m. in the empty dining area of Sam's Club. There should be nothing too difficult for us to do in order to take time to reach out to someone with the true Gospel of salvation through our Lord and Savior Jesus Christ!

Next month, on June 17, Dotty and I will be celebrating our 60<sup>th</sup> wedding anniversary! We are truly grateful to God for the fantastic blessings of a wonderful marriage! We praise the Lord for good health and for the privilege we have to continue serving the Lord together as missionaries for these 60 years. Besides having weekly Bible studies with unsaved people, I have the privilege to teach the middle-age adult Sunday School class at Berea Baptist Church. On many occasions the Lord gives me the opportunity to preach in our church and elsewhere.

You have been an important part of our ministry and we pray that it has been a great blessing to you. Thank you so very much! It is God who merits all the honor and praise. It is our sincere desire to continue to be more than conquerors through our Lord Jesus Christ.

Sincerely in Christ,

*Myron & Dotty*
