

Christmas Blessings!

Numbers 6:24-27

Dear Praying Friends,

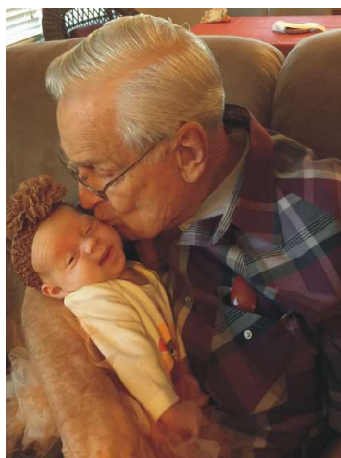

We are thinking and praying especially for you this Christmas season and trust this finds you well. From Florida we send our warmest greetings! We are thankful for another year of good health and for many opportunities to serve our Lord and Savior, Jesus Christ! We continue to have the joy of guiding young couples in the study of God's Word both in our Bible study class each Sunday as well as to have important Bible classes with individuals during the week using the book, *Becoming a True Christian*. We also have had to face heartaches, for several couples no longer attend our Sunday School class nor church during this time of transition as our church is looking for a new pastor.

In November we were able to travel to Georgia and South Carolina to visit our children. We had a wonderful time with Chuck and Janice, our grandchildren and our great-grandchildren. As you can see in the picture, we were honored with the privilege of holding our twin great-grandchildren, who were born in October. What a blessing that Morgan and Kentlee are in excellent health. Grayson and Cooper are very loving great-grandchildren full of fun and energy.

In South Carolina we enjoyed a fine visit with our daughter, Beverly, and our two grandchildren who are developing into fine young adults. While there I had the opportunity to put to use a few muscles that I hadn't used recently doing odd-jobs around their house.

This year we completed our 60th year of missionary service. During these many years God has blessed us abundantly. What a privilege that we also are still able to do house-to-house visitation each week and to be that witness that is vital for the furtherance of the Gospel.

Again we thank you for the important part that you are having as you pray for us and support us as we continue to serve the Lord. We truly thank God for you!

Sincerely in Christ,

Myron & Dotty
